

2024 Individual Income Tax Return Preparation Engagement Letter

This letter is to confirm and specify the terms of our engagement with you and to clarify the nature and extent of the services we will provide. The IRS imposes penalties on taxpayers and tax return preparers for failure to observe due care in preparing income tax returns. In order to ensure an understanding of our mutual responsibilities, we ask all clients to confirm the following arrangements.

We will prepare your 2024 U.S. Individual and/or Business Income Tax Return with all necessary supporting Forms and Schedules from the information provided by you. **It is your responsibility to provide all the information required for the preparation of a complete and accurate income tax return.** You represent that the information you supply is accurate and complete to the best of your knowledge. Furthermore, any expenses claimed for meals, entertainment, travel, business gifts, dues and membership, vehicle usage, and/or charitable contributions are supported by records as required by law. You have also disclosed all known tax liabilities. **You are confirming that you have not withheld any information that may affect your tax situation or tax filing. If you are unsure about an issue, we need to discuss it before you sign your income tax return.**

IRS guidelines require us to electronically file (e-file) all income tax returns. Unless you feel e-filing your income tax return will create undue hardship, your income tax return will be filed electronically. Prior to you signing the E-file Authorization Form 8879, we will provide a complete copy of your income tax return for review.

We do not audit or otherwise verify the data you submit, although it may be necessary to ask for clarification of some of the information. **You have the final responsibility for your income tax return and, therefore, you should review your return carefully.**

Due dates for filing 2024 calendar year tax returns are as follows:

- April 15, 2025 - Due date for Individual Tax Returns

All documents must be received by our office by March 10, 2025 or an extension will be required

Payment for our services are due when the work is complete, our services are dis-engaged, or as otherwise agreed. Our fee for tax return preparation does not include audit representation or other tax related issues, including the requirement to communicate additional information regarding your return to the taxing agencies. Should your return be selected for audit or evaluation by the IRS or a State Tax agency, we can provide representation for an additional fee. If your return is subject to interest and/or penalties due to an error made by our office we will reimburse those costs and work to resolve the issue without any fee. We are not responsible for errors due to missing or incorrect information provided to us, or errors beyond our direct control.

Unless required by law, we will not disclose any of your confidential information without prior written authorization from you.

We want to express our appreciation for this opportunity to work with you. If the foregoing fairly sets forth your understanding, please sign below.

Sincerely,

Annual Privacy Disclosure Statement - Third-Party Disclosures

Dear Client:

Under the Gramm-Leach-Bliley Act of 1999, financial institutions must provide their customers with a "clear and conspicuous" notice about their privacy policies and practices; the conditions under which they disclose nonpublic personal information about consumers to nonaffiliated third parties; and how consumers can prevent the disclosure of their information. You already may have received such notices from the banks and brokerage firms with which you do business.

Following the passage of this legislation, the Federal Trade Commission (FTC) issued detailed rules on these privacy notices, including to whom they should apply. In those rules, the FTC defined "financial institutions" to include all those who provide "financial or investment advisory services." In turn, the FTC rules chose to broadly interpret "financial or investment advisory activities" to cover "tax planning and tax preparation."

In compliance with the FTC rules, printed below is our firm's current Privacy Disclosure Statement. Be assured that this firm has always considered our professional relationship with you to be one requiring the utmost trust and confidence. Please do not hesitate to call us if you have any questions about this notice.

PRIVACY DISCLOSURE

Churchwell Tax & Business Services does not disclose any nonpublic personal information about our clients or former clients, without their permission, to anyone except as absolutely required by law or as needed by our employees to provide services or products to you. We maintain physical, electronic, and procedural safeguards that comply with federal regulations to guard your nonpublic personal information.

If you have any concerns about the disclosure of your personal information to third parties, please contact us by mail or telephone (530) 885-9705.

Sincerely yours,

Robert Churchwell
